

LET'S CAN HUNGER.

Many of us think hunger is only a problem in other countries or at disaster sites. But it's here in Georgia every day.

Thousands of Georgians don't have enough food to meet their basic needs. You and I have the power to change that.

Through October 31st, the Citizens of Georgia Power will collect canned goods for food banks in our communities.

Together, we have the power to feed the hungry.
